EDUCATION

IIIT Naya Raipur

B.Tech in Electronics and Communication Engineering

Aug. 2023 – May 2027

CGPA: 7.85 / 10

- **Relevant coursework:** Data Structures & Algorithms, Object-Oriented Programming (C++/Java), Operating Systems, DBMS (transactions & isolation levels), Computer Networks (HTTP/HTTPS, TLS).

EXPERIENCE

Mahyco Grow

Software Development Engineering Intern

Jan. 2026 – Mar. 2026

Remote

- Built a production Python REST platform (FastAPI + React) that reduced crop-disease analysis from hours to under 5 min, using tile-based rasterio processing for gigapixel UAV imagery.
- Designed scalable, low-latency image-processing APIs for GeoTIFF/JPG uploads; cut false positives 40% with sliding-window chunking and global Non-Maximum Suppression.
- Handled testing, debugging and performance optimisation across the request path, and supported the full lifecycle from requirement gathering through deployment and maintenance.
- Integrated YOLOv8 localisation, a 3-class health classifier, JWT/RBAC auth, and asynchronous MongoDB (Motor) persistence in a backend owned end-to-end — design, code review, deployment and monitoring.

Shipd by Datacurve (YC-backed)

Machine Learning Analyst (Freelance)

Feb. 2026 – Present

Remote

- Solved reviewer-facing ML and systems tasks across RAG/retrieval and computer-vision pipelines, with metric-driven experiments, validation checks, and clean deliverables.
- Built RAG ranking workflows using semantic overlap, numeric/period alignment, table-row relevance, and leakage-resistant feature audits for finance-style data.
- Debugged and optimised CV model pipelines for image-understanding tasks, improving preprocessing, prediction cleanup, error analysis, and submission/output validation.

PROJECTS

NeuroLink — AI Dementia Companion App (*National Hackathon Winner — IIIT Naya Raipur*)

[GitHub](#)

- Built a React Native + Expo AI companion with on-device face-recognition people-matching, LLM chatbot, personalized memory-question generator, and cognitive flashcards.
- Shipped a companion Next.js family dashboard with medication-reminder APIs, sub-10-sec caregiver-alert sync, encrypted RBAC healthcare data, and chatbot workflows.

PrithviNet — Distributed Data Pipeline & Live Analytics Engine

[Live Demo](#) | [GitHub](#)

- Built a live geospatial analytics platform ingesting Overpass/OSM, Google AQI, and Mapbox data into 7+ MongoDB collections for 4 role-based dashboards.
- Engineered a multi-stage RAG assistant translating natural-language questions into real-time database aggregations across React, Node.js, and FastAPI services.
- Designed compliance workflows for pollution heatmaps, spill modelling, and Water Quality Index reporting, keeping aggregation queries responsive at scale.

Sentinel — YouTube Data Pipeline & LLM Analytics Platform

[GitHub](#)

- Built a YouTube analytics pipeline ingesting 100K+ video data points with Next.js SSR; cut latency 30% via batching and optimized API calls.
- Classified sentiment across 20K+ comments at ~80% accuracy with LLM inference; handled rate limits, retries, and async failures end-to-end.

TECHNICAL SKILLS

Languages: C++, Python, C, TypeScript, JavaScript, SQL

Core CS: Data Structures & Algorithms, Object-Oriented Design, Operating Systems, DBMS

Backend & APIs: Python (Django, Django REST Framework, FastAPI, Flask), Node.js, REST APIs, JWT, OAuth 2.0

Data & Pipelines: PostgreSQL, MySQL, SQL, MongoDB (Motor), Redis, YouTube Data API, GeoTIFF/rasterio, HTTP clients

Infra & Tools: AWS (EC2, S3, RDS, Lambda), Docker, Linux, Git, Vercel

ML / LLM Systems: LangChain, LangGraph, LangSmith, RAG, AI Agents, LLM evals, OpenAI / Claude / Gemini, YOLOv8

ACHIEVEMENTS

- **ICPC India 2024** — All India Rank 509 / 1,200+ teams; 3rd place at IIIT Naya Raipur regionals.
- **Flipkart GRiD 8.0** — **Semi-finalist** in India's largest national engineering challenge (2026).
- **3× National Hackathon Winner** — Education for AI (Thinkplus/SkillU) ([Cert](#)); CodeUtsava 9.0 at NIT Raipur ([Cert](#)); Hack-a-Sol 2025 at IIIT NR ([Cert](#)).
- **NPTEL Deep Learning** — IIT-run certification with proctored exam ([Cert](#)).
